

# Don't forget your cat

South Australian law also requires all cats to be microchipped and details to be kept on

**DOGSANDCATSONLINE.COM.AU**

Go to **[dogsandcatsonline.com.au](https://dogsandcatsonline.com.au)**<sup>\*</sup>, select **Register** and then **Register my new animal**. All you need is your cat's microchip number to get started!

NB: You may be asked for certificates for microchipping and desexing if these procedures have not been recorded in Dogs and Cats Online.

\* If you don't have internet access or require assistance, please contact your council.

# Transferring your dog or cat to a new owner

South Australian law requires Dogs and Cats Online to be updated if ownership of an animal is transferred.

## To transfer an animal:

Go to **[dogsandcatsonline.com.au](https://dogsandcatsonline.com.au)**, **Login**, select **Commence Ownership Transfer**, select the dog or cat to transfer, **Initiate transfer** and enter the new owner's details.

New owners must be provided the certificate of registration (renewal notice), registration disc last issued and transfer code.
