

## ADVICE ON NEW RESIDENTIAL TENANCY APPLICATIONS

The Department for Infrastructure and Transport has a commitment to maintaining tenancy arrangements with existing residential tenants until their current term expires. The government has also committed to reviewing the term of leases in line with the progress of the transformation of Leigh Creek.

The Leigh Creek township transformation includes the sale of all retained properties, commencing with sale offers at market value to current tenants.

Remaining housing will be offered for sale to a community housing provider to manage all future tenancy arrangements.

Until this process is complete no new tenancy arrangements can be considered.

Any applications will be held pending the completion of sales process and the Department will contact applicants to determine whether they wish for their information to be forwarded to the new housing provider should housing become available.

For further information please contact Simon Muecke by email to [DIT.LeighCreekProperty@sa.gov.au](mailto:DIT.LeighCreekProperty@sa.gov.au) or by phone on 83432613.
